

FSQ Management Summary

Greenwood Associates Inc. ("GAI") and its affiliate Chicago Processed Fruit Group ("CPFG") share safety and quality management programs and are certified under FSSC 22000 (a GFSI recognized program).

All materials are handled in compliance with FDA 21 CFR Part 120 and 21 CFR Part 117. The utilization of mature and robust Pre-Requisite Programs (PRP) further strengthen our Food Safety Management System (FSMS) and Quality Management scheme. We are confident in the quality of our product and processes.
