

Foreign Material Statement

Greenwood Associates Inc. ("GAI") and its affiliates Florida Bulk Sales, LLC ("FBS") and Chicago Processed Fruit Group, LLC ("CPFG") agree that foreign material exclusion is a top priority to the food and beverage industry. That considered:

1. All products manufactured by CPFG in our Niles, Illinois facility are filtered through a mesh screen and rare-earth magnet, preventing unwanted foreign material contamination. Additional prevention measures include other GFSI Pre-Requisite Programs (PRPs) such as a Glass and Brittle Plastic control program, fully implemented cleaning and sanitation schedule, and good manufacturing practices (GMPs).
2. Materials traded by GAI and FBS without handling by CPFG are manufactured by suppliers in full compliance with GFSI standards or our equivalent Supply Chain Program requirements, further minimizing the risk of foreign material contamination.

A handwritten signature in black ink that reads "Robert Bundy".

Robert Bundy
