

Human Rights Statement

Greenwood Associates Inc. and its affiliate Chicago Processed Fruit Group, are firmly against any form of forced labor, slavery, and human trafficking, and will not tolerate any type of such conduct by its employees, suppliers, vendors, or other business partners.

Our internal standards of conduct comply with or go beyond all applicable human rights laws and regulations and take internationally recognized principles into account, and we request that all our suppliers provide social responsibility screening information in line with these standards.

Robert Bundy
FSQA and Regulatory Manager
