

Partially Hydrogenated Oils (PHOs), Palm Oil, and Brominated Vegetable Oil (BVO) Statement

Greenwood Associates Inc. ("Greenwood") confirms that all products traded, distributed, or manufactured by the organization are free from partially hydrogenated oils (PHOs), palm oil, palm kernel oil, ingredients derived from oil palm (*Elaeis guineensis*), and brominated vegetable oil (BVO).

Greenwood's supplier approval and specification management verify that these substances are not used in the manufacture of, nor present in, any products supplied by Greenwood.
